This is a fee simple title transfer (just like buying any other piece of property), you are buying the condo & the dirt. Each 1/10 ownership share is entitled to 5 weeks each year in your own condo. The maintenance & management is taken care of for you. For those wanting more than 5 weeks each year, additional shares can be purchased. The offer I am prepared to offer Baptist affiliates is, guaranteed financing. These shares will be sold on a 10 year mortgage. When the mortgage is paid, you own the ownership share outright. You can keep this piece of real estate indefinitely, rent it out, sell it, or will it to your heirs (just like any other piece of real estate). Also, Baptist affiliates will get 50% off title insurance at closing.
