

MyChart Prescription Refill Request

Save a phone call and request a refill on your medication from MyChart. The message is sent directly to your physician’s staff to be processed and sent to the pharmacy.

1. From the medication list, click **Request Refills**.
2. Select the check box next to the medication you need refilled and enter any comments. Click **Next**.

Medications

Choose prescriptions to refill. If the prescription you wish to refill is not on this list, select "Other." You can write the medication name, and any other necessary details, in the comments box.
