

Baptist Health Medical Center-  
North Little Rock

## PGY1 Pharmacy Residency Program

Pharmacists at Baptist Health Medical Center-North Little Rock work with the healthcare team to ensure positive patient outcomes. Services provided by pharmacists span beyond decentralized clinical consultation ( dosing - pharmacokinetic, antimicrobials, anticoagulation; antimicrobial stewardship - culture review, de-escalation; IV to PO) to include Graduate Medical Education integration, rehab team rounds and transitions of care.

### Learning Opportunities

- Engage with other healthcare professionals on the interdisciplinary team including medical residents
- Complete a teaching and research certificate program through the University of Arkansas for Medical Sciences
- Obtain ACLS certification and participate in the management of medical emergencies
- Serve as a preceptor to students from two colleges of pharmacy
- Provide continuing education for pharmacists and other healthcare practitioners
- Participate in P & T Committee
- Complete a research project and present at a regional residency conference
- Provide education at Cardiac Rehab
- Lead Journal Club and Patient Cases
- Provide clinical staffing one evening per week and every fourth weekend
- Serve at a free clinic monthly

### Purpose

PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

### Eligibility

- Graduate or candidate for graduation from an ACPE accredited Doctor of Pharmacy degree program
- Arkansas Licensure (passing both the NAPLEX and Arkansas law exam) by July 31st
- Successful completion of required pre-employment physical, drug/nicotine screen, and background check

### Application Process

Candidates must submit their application including the following documents through PhORCAS by January 1st:

- Official transcript
- Three letters of recommendation
- Letter of intent
- Curriculum Vitae

Our program participates in the National Matching Service. This residency site agrees that no person at this site will solicit, accept, or use any ranking-related information from any residency applicant.
