Little Rock

PGY1 Pharmacy Residency Program

Pharmacists at Baptist Health Medical Center-Little Rock provide patient-centered care through effective drug therapy management working in collaboration with the healthcare team to ensure positive patient outcomes. Our pharmacists are involved in the delivery of quality patient care through active participation in ICU team rounds, involvement in interdisciplinary patient care committees, and comprehensive decentralized clinical services including transitions of care.

Opportunities for Learning

- Complete a teaching and research certificate program through the University of Arkansas for Medical Sciences
- Obtain ACLS certification and participate in the management of medical emergencies
- Serve as a preceptor to students from two colleges of pharmacy
- Provide education for pharmacists and other healthcare practitioners
- Participate in P & T Committee
- Complete a research project with presentation at a regional residency conference
- Provide education at Cardiac Rehab
- Lead Journal Club and Patient Cases
- Provide clinical staffing 4 hours per week and every fourth weekend.
- Serve at a free clinic monthly

Purpose

PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

Eligibility

- Graduate or candidate for graduation from an ACPE accredited Doctor of Pharmacy degree program
- Arkansas Licensure (passing both NAPLEX and Arkansas law exam) by July 31st
- Successful completion of a required pre-employment screening

Application Process

Candidates must submit their application including the following documents through PhORCAS by January 1st:

- Official transcript
- Three letters of recommendation
- Letter of intent
- Curriculum Vitae

Our program participates in the National Matching Service. This residency site agrees that no person at this site will solicit, accept, or use any ranking-related information from any residency applicant.
