

FINANCIAL ASSISTANCE GUIDELINES

Since 1920, BAPTIST HEALTH has provided patient-centered services with Christian compassion and personal concern. Consistent with our mission, BAPTIST HEALTH offers financial assistance to eligible patients. Baptist Health will provide emergency or medically necessary care to individuals regardless of their ability to pay.

Patients without insurance (who do not qualify for any third party or government health benefits) will receive an automatic discount of 75% off their billed charges. Baptist Health uses a look-back method based on claims allowed by Medicare fee-for-service and all private health insurers that pay claims to the hospital facility during a prior 12-month period. The discount will be taken before a patient's billing statement is sent. Questions about the uninsured discount should be directed to Patient Financial Services at (501) 202-3900.

For insured or non-insured, additional financial assistance discounts are available on a sliding scale based upon income levels of the current Federal Income Poverty Guidelines. Up to 100% of billed charges may be provided based on completion and evaluation of an Application for Financial Assistance, with required supporting documentation. Financial need does not consider age, gender, race, social or immigrant status, sexual orientation, or religious affiliation. Patients who are eligible for Financial Assistance cannot be charged more than the amounts generally billed for emergency or other medically necessary care.

ELIGIBILITY CRITERIA

Baptist Health will perform an assessment of medical necessity and financial ability, and based on the assessment results, may provide free or discounted care to patients who qualify for financial assistance under this policy. Baptist Health does not delay care for patients who have a past due financial balance. Standard procedures will be followed in determining eligibility.

Patients who do not provide the requested information may not be eligible for financial assistance. In addition, patients seeking financial assistance are expected to cooperate with any efforts to secure other healthcare coverage prior to financial assistance determination. Applicants of all ages are eligible for financial assistance. Baptist Health also has software which uses publicly available demographic information to determine presumptive eligibility for patients who do not respond to offers of financial assistance. The hospital verbally attempts to contact patients to inform them of financial assistance.

This policy applies to most charges, but will not apply to Radiology Consultants, Pathology Labs of Arkansas, or any other outside services.
